

November 26, 2024

Subject: Lead times

Our current lead times are:

**DUCTILE IRON - 15 weeks
GRAY IRON - 14 weeks**

****Includes 2 Weeks for Holiday Shutdown****

Any orders that require an outsource operation such as paint, heat treatment, or machining, will require 2 additional weeks.

Please utilize this information when placing your production orders.

Feel free to contact us with any questions or concerns you may have.

Sincerely,

Tom Conard
Production Control Supervisor
