

April 28, 2025

Subject: Lead times

Our current lead times are:

DUCTILE IRON - 12 weeks
GRAY IRON - 10 weeks

****Includes 1 Week for Summer Shutdown****

Any orders that require an outsource operation such as paint, heat treatment, or machining, will require 2 additional weeks.

Please utilize this information when placing your production orders.

Feel free to contact us with any questions or concerns you may have.

Sincerely,

Tom Conard
Production Control Supervisor
