

January 28, 2026

Subject: Lead times

Our current lead times are:

**DUCTILE IRON - 9 weeks
GRAY IRON - 8 weeks**

Any orders that require an outsource operation such as paint, heat treatment, or machining, will require 2 additional weeks.

Please utilize this information when placing your production orders.

Feel free to contact us with any questions or concerns you may have.

Sincerely,

Tom Conard
Production Control Supervisor
